### Details

Information/allegations	<p>On 16-11-2018 during a Text Removed - Reporting Tools in Text Removed - Operational Area, the interviewee stated that he was pushed back, assaulted, treated inhumanly and robbed. First time the event happened in the night from November 7th 2018. After landing the interviewee and other migrants were attacked by people Text Removed - Sensitive Operational Information. Text Removed - Sensitive Operational Information. They (migrants) were forced to go back through the river after their valuables were taken away, after the men were stripped naked and after they were beaten. On November 10th 2018 interviewee crossed the river again with other people. According to the interviewee they were intercepted again Text Removed - Sensitive Operational Information. They were beaten, valuables were stolen and they had to undress</p>

Assessment	<p>The migrant (interviewee) was apprehended at Text Removed - Operational Area on 14.11.2018, hidden in a truck trailer together with four other migrants, coming from TUR. The interview was performed at premises of Text Removed - Operational Area by the Text Removed - Human Resources (Text Removed - Human Resources, Text Removed - Human Resources and Text Removed - Human Resources) on 16/11/2018. The interviewee was informed by Text Removed - Reporting Tools about the possibility to submit a Complaint as described in the Text Removed - Reporting Tools. No such intention was expressed. The interviewee couldn't provide any additional detailed information which would support the identification of the location of the alleged unprocessed return and the description of the persons involved in the alleged incidents. According to assessment of Text Removed - Human Resources it seemed that he was scared to add more information considering the presence of the Text Removed - Reporting Tools during the interview. The presence of the Text Removed - Human Resources is stipulated in Text Removed - Reporting Tools. Additionally, in clarification of interviewee's statements, Text Removed - Reporting Tools had doubt about the translation of statements, Text Removed - Sensitive Operational Information. Later, the interviewee reported that one of the persons from the group Text Removed - Sensitive Operational Information spoke a little Text Removed - Sensitive Operational Information, all of the them wore Text Removed - Sensitive Operational Information, but due to the limited visibility (too dark), he didn't focus more on details and he was also very scared.</p>
