Subject: Your application for access to documents – Ref GestDem No 2019/3747

Dear 

I refer to your e-mail dated 3 May 2019 and to the clarifications given to you and to Directorates-General (DGs) of the Commission by the Secretariat General. You made a request for access to documents, registered under the above mentioned reference number. Your application concerns: *'For the years 2017, 2018 and 2019: - any and all documents that contain the number of staff in your Transparency Unit (or the department dealing with access to EU documents requests) - this could be, for instance, organigrams or staffing plans that are specific to that unit; - any and all documents containing the budget for your Transparency Unit (or the department dealing with access to EU documents requests); I would appreciate the most detailed version of this budget possible'*.

Within DG Environment the unit E4 *'Compliance & Better Regulation'* is responsible for giving legal advice on dealing with the requests received by the DG and ensure that the relevant rules are complied with. To this effect, 2 officials deal with access to documents: 1 legal coordinator and 1 administrative coordinator (document management agent).

There is no separate budget specifically designated for the E4 unit in DG Environment.

Yours sincerely,

Head of Unit
