Dear Mr. Uzonyi,

on behalf of the President of the German Supreme Audit Institution, the Bundesrechnungshof, I wish thank you very much for your enquiry. We have not generated audit findings on the questions you posed and therefore are not in a position to provide any information. I wish to make reference to the Federal Ministry of Finance to which you have addressed an identically worded enquiry. The Ministry will let you have a response on the matter.

Yours sincerely,

Ulrich Walter
Audit Director
