July the 17th, 2017, around 10:30, about 50 migrants gathered in front of the EASO facilities in RIC Moria. The declared purpose was to force a meeting with representatives of EASO and the GAS. Demonstrators organized a peaceful sit-in that lasted until 13:30. Text Removed - Justification 2. Around 12:00 the migrants changed their attitude, becoming increasingly aggressive, moving from the area in front of the EASO premises to the main entrance of RIC Moria, where they cut off the road and damaged several of the vehicles parked in approx. 400/500 meters in the direction to the Gulf of Gera. About 12:10 the evacuation of the registration area was ordered, but in fact the evacuation was impossible as the demonstrators were occupying part of the alleged evacuation route. Text Removed - Justification 2.
