Dear

Thank you very much for your message. Needless to say, I perfectly understand and I'm grateful that you've been exploring possibilities for the Commissioner to join the event on such short notice.

Since you are kindly suggesting ways to help, I was wondering if you or Mr. Vicente would be available to join one of the two panels - or perhaps recommend in your Services a senior colleague who would have an interest in the topics of the day. Also, Amazon Officer will be in Brussels that day, and will notably meet Vice President Ansip late morning: would there be any opportunity to meet Commissioner Moedas, even for a short meeting?

Cheers,

Stephane

PS: There is no need to reply to - thank you for having proposed to send a formal reply.

Dear

Thank you so much for this and your patience with our reply.

We have looked carefully at the Commissioners agenda possibilities for 13 October and unfortunately it will not be possible for him to accept this very kind invitation from [REDACTED], even though the topic is of high interest.

Please let us know if we can help in some other way and if you think it would be appropriate for Commissioner Moedas to send a formal reply to [REDACTED]

Regards

[REDACTED]

Dear [REDACTED],

It was good seeing you last week at the EIC post-consultation workshop.

I wanted to give you a heads-up about an invitation to Commissioner Moedas (Cf. Attached) that will be sent to your office by postal mail momentarily.

I'd be very happy to discuss this further at your convenience, whenever possible for you.

Kind regards,

[REDACTED]
