Dear Maria Åsenius,

Our Amazon Art.4.1(b) , will be in Brussels on the 13 July and would like to request a meeting (letter for a meeting request attached) with Commissioner Malmström on that day at a timeslot that suits the agenda of the

Commissioner best. We are interested in discussing how Amazon can contribute further to the EU agenda on transatlantic trade, data flows, the Digital Single Market, innovation and cloud computing.

Amazon's puts a strong emphasis on supporting the industry digitisation initiative and e-commerce package and we welcomed the Commission package of 25 May through our [published blog post](#).

Looking forward to your response and thank you for your time.
