EVENT: INVITATION
2 FEBRUARY 2017 @ GOOGLE BELGIUM

Powering a cleaner future

Unlocking business demand for renewables in Europe

More and more companies are committed to 100% renewable power – because it makes business sense. RE100 is a global leadership initiative helping companies to achieve this goal.

Please join business leaders, policy makers and civil society figures to discuss ways to ensure EU renewable energy policy meets the changing needs of consumers and the market place.

Speakers: European Commission Vice President
Maroš Šefčovič, plus business leaders incl. from
Google, Swiss Re and HG Capital

When: 2 February 2017, 12:15 pm - 3:00 pm
Registration and lunch served from
12:15 pm to 12:45 pm

Where: Google Belgium
180 Chaussée d'Etterbeek
1040 Brussels
