Dear Ms. Nowak,

As agreed by phone this morning with your assistant, I am sending you a meeting request on behalf of Google's [redacted], [redacted], for Wednesday 27th May morning or afternoon, to discuss areas under your responsibility, specifically the areas of e-health in Europe and the interaction between technology and healthcare.

If these dates are impossible for Ms. Nowak, the day before or after could perhaps be another opportunity.

[redacted] is the [redacted], where he oversees a team of scientists working on a wide-spectrum of healthcare-related projects. He would like to discuss the work of Google Life Sciences—to help move health care from reactive to proactive—and how his team is working in partnerships with medical experts, patient groups, and the life sciences sector to marshal the latest technological tools to further their work.

[redacted] will be accompanied by [redacted], [redacted] based in Brussels as well as [redacted] based in the US. For your information also, Google is registered in the Transparency Register (Ref: 03181945560-59).

Do not hesitate to contact me would you need any further information.
Thank you for your help.

Kind regards,
