Congratulations Message

(Unofficial translation)

Her Excellency Ursula von der Leyen, President of the European Commission,

And,

His Excellency Charles Michel, President of the European Council,

Allow me to congratulate you on behalf of the people of Afghanistan on the occasion of the Europe Day.

I am delighted to see that European Union and EU Member States have joined efforts to strengthen our bilateral relationship between Afghanistan and the European Union.

The EU has always been by the side of Afghanistan as a reliable ally and a trustworthy friend. We value and appreciate the invaluable assistance and cooperation, as well as the humanitarian assistance, from the Union to Afghanistan that protects and promotes our shared values.

While Afghanistan and Finland are jointly preparing to host an international conference on Afghanistan in November this year, I have complete faith that the EU and Member States as always will continue their vital support to Afghanistan.

While I am delighted and satisfied with the level of our close cooperation with the EU, I am looking forward to further expanding our relations and working closely with you.

Wishing you good health and success.

Mohammad Ashraf Ghani

President of the Islamic Republic of Afghanistan
