		<p><i>Instrument to support the recovery in the aftermath of the COVID-19 pandemic ('ERI') should be made available as soon as possible to cover the funding needs caused by the COVID-19 crisis. It should take the form of an economic stimulus package for the agricultural sector and rural areas in the Union, paving the way for resilient, sustainable and digital economic recovery in line with the objectives of the European Green Deal, the Union's environmental and climate commitments and applicable Union legislation's as adopted by the European Parliament and the Council on the basis of the Farm to Fork Strategy and the Biodiversity Strategy.</i></p>		
5		<p><i>Part of the additional resources provided by the ERI should be allocated to specific categories of</i></p>
