Recital 1				
13	(1) The Communication from the Commission to the European Parliament, the Council, the European Economic and Social Committee and the Committee of the Regions entitled ‘The Future of Food and Farming’ of 29 November 2017 sets out the challenges, objectives and orientations for the future Common Agricultural Policy (CAP) after 2020. These objectives include, inter alia, the need for the CAP to be more result-driven, to boost modernisation and sustainability, including the economic, social, environmental and climate sustainability of the	(1) The Communication from the Commission to the European Parliament, the Council, the European Economic and Social Committee and the Committee of the Regions entitled ‘The Future of Food and Farming’ of 29 November 2017 sets out the challenges, objectives and orientations for the future Common Agricultural Policy (CAP) after 2020. These objectives include, inter alia, the need for the CAP to be more result-driven, <u>market-oriented</u> , to boost modernisation and sustainability, including the economic, social, <u>demographic</u> , environmental		

	Commission Proposal	EP Mandate	Council Mandate	Draft Agreement
	agricultural, forestry and rural areas, and to help reducing the Union legislation-related administrative burden for beneficiaries.	and climate sustainability of the agricultural, forestry and rural areas, and to help reducing the Union legislation-related administrative burden for beneficiaries. <u>The new policy should also represent a simplification for beneficiaries who should receive a fair income. In order for the CAP to achieve those objectives, it is of utmost importance to keep the same level of financing in the 2021-2027 Multiannual Financial Framework as during the 2014-2020 period.</u>		
Recital 1a				
13a		<u>(1a) The CAP continues to play a key role in the development of the Union's rural areas. It is therefore necessary to attempt to slow down the gradual abandonment of agricultural activity by keeping a CAP that is strong, with adequate resources, to mitigate the depopulation of rural areas and to continue meeting</u>		

	Commission Proposal	EP Mandate	Council Mandate	Draft Agreement
		<u>consumer expectations in terms of the environment, food safety and animal welfare. In view of the challenges faced by Union producers in responding to new regulatory requirements and a higher level of environmental ambition, against a background of price volatility and Union borders that are more open to imports from third countries, the CAP budget should be kept at least at the same level as during the 2014-2020 period.</u>		
Recital 1b				
13b		<u>(1b) In order to address the global dimension and implications of the CAP, the Commission should ensure coherence and continuity with the other Union external policies and instruments, in particular in development cooperation and trade. The Union's commitment to policy coherence for development requires the taking into account of development</u>		

	Commission Proposal	EP Mandate	Council Mandate	Draft Agreement
		<u>objectives and principles when designing policies.</u>		
Recital 2				
14	(2) Since the CAP needs to sharpen its responses to the challenges and opportunities as they manifest themselves at Union, international, national, regional, local and farm levels, it is necessary to streamline the governance of the CAP and improve its delivery on the Union objectives and to significantly decrease the administrative burden. In the CAP based on delivery of performance ('delivery model'), the Union should set the basic policy parameters, such as objectives of the CAP and basic requirements, while Member States should bear greater responsibility as to how they meet the objectives and achieve targets. Enhanced subsidiarity makes it possible to better take into account local conditions and needs, tailoring the support to maximise the contribution to Union objectives.	(2) Since the CAP needs to sharpen its responses to the challenges and opportunities as they manifest themselves at Union, international, national, regional, local and farm levels, it is necessary to streamline the governance of the CAP and improve its delivery on the Union objectives and to significantly decrease the administrative burden, <u>in particular to the final beneficiaries.</u> In the CAP based on delivery of performance ('delivery model'), the Union should set the basic policy parameters, such as objectives of the CAP and basic requirements, while Member States should bear greater responsibility as to how they meet the objectives and achieve targets, <u>whilst ensuring policy certainty and financial security for the sector.</u> Enhanced subsidiarity makes it		

	Commission Proposal	EP Mandate	Council Mandate	Draft Agreement
		possible to better take into account local conditions and needs, tailoring the support to maximise the contribution to Union objectives. <u>Nevertheless, in order to ensure that such subsidiarity does not represent a "renationalisation" of the CAP, this Regulation should include a strong body of Union provisions designed to prevent the distortion of competition and to ensure non-discriminatory treatment for all Union farmers throughout the territory of the Union.</u>		
Recital 3				
15	(3) The use of common definitions entirely set at Union level has caused certain difficulties for Member States to cater their own specificities at national, regional, and local level. Member States should therefore be given the flexibility to specify certain definitions in their CAP Strategic Plan. In order to	(3) ~~The use of common definitions entirely set at Union level has caused certain difficulties for Member States to cater their own specificities at national, regional, and local level.~~ Member States should ~~therefore~~ be given the flexibility to specify certain definitions in their CAP Strategic Plan. 	Commission Proposal	EP Mandate	Council Mandate	Draft Agreement
			Implementation of the Memorandum of Understanding on oilseeds	
Article 10a(1), first subparagraph				
194b			1. Where Member States provide for area-based interventions, other than those which comply with the provisions of Annex 2 to the WTO Agreement on Agriculture, including coupled income support under Subsection 1 of Section 3 of Chapter II of Title III, and where these interventions concern some or all of the oilseeds referred to in the Annex to the Memorandum of Understanding between the European Economic Community and the United States of America on oilseeds¹, the total of the support area based upon the planned outputs included in the CAP Strategic Plans of the Member States concerned shall not exceed the maximum support area for the whole Union for the purpose of ensuring	

	Commission Proposal	EP Mandate	Council Mandate	Draft Agreement
			compliance with its international commitments. 1. [1] Memorandum of Understanding between the Economic Community and the United States of America on oil seeds under GATT (OJ L147, 18.6.1993, p. 25).	
Article 10a(1), second subparagraph				
194c			At the latest 6 months following the entry into force of this Regulation, the Commission shall adopt implementing acts fixing an indicative reference support area for each Member State, calculated on the basis of each Member State's share of the average cultivation area in the Union during the five years preceding the year of entry into force of this Regulation. Those implementing acts shall be adopted in accordance with the examination procedure referred to in Article 139(2).	
Article 10a(2), first subparagraph				

	Commission Proposal	EP Mandate	Council Mandate	Draft Agreement
194d			2. Each Member State that intends to grant support as referred to in paragraph 1 shall indicate the respective planned outputs in terms of hectares in its CAP Strategic Plan proposal referred to in Article 106(1).	
Article 10a(2), second subparagraph				
194e			If following the notification of all planned outputs by Member States the maximum support area for the whole Union is exceeded, the Commission shall calculate for each Member State that notified an excess compared to its reference area, a reduction coefficient that is proportionate to the excess of its planned outputs. This shall result in an adaptation to the maximum support area for the whole Union referred to in the paragraph 1. Each Member State concerned shall be informed about this	

	Commission Proposal	EP Mandate	Council Mandate	Draft Agreement
			reduction coefficient in the Commission's observations to the CAP Strategic Plan in accordance with Article 106(3). The reduction coefficient for each Member State shall be set in the implementing act by which the Commission approves its CAP Strategic Plan as referred to in Article 106(6).	
Article 10a(2), third subparagraph				
194f			The Member States shall not amend their support area on their own initiative after the date referred to in Article 106(1).	
Article 10a(3), first subparagraph				
194g			3. Where Member States intend to increase their planned outputs referred to in paragraph 1 as approved by the Commission in the CAP Strategic Plans, they shall notify the Commission of the revised planned outputs by means of a request for amendment of	

	Commission Proposal	EP Mandate	Council Mandate	Draft Agreement
			the CAP Strategic Plans in accordance with Article 107 before 1 January of the year preceding the claim year concerned.	
Article 10a(3), second subparagraph				
194h			Where appropriate, in order to avoid that the maximum support area for the whole Union as referred to in the first subparagraph of paragraph 1 is exceeded, the Commission shall revise the reduction coefficients referred to in that paragraph for all Member States that exceeded their reference area in their CAP Strategic Plans.	
Article 10a(3), third subparagraph				
194i			The Commission shall inform the Member States concerned about the revision of the reduction coefficients at the latest before 1 February of the year preceding the claim year concerned.	

	Commission Proposal	EP Mandate	Council Mandate	Draft Agreement
Article 10a(3), fourth subparagraph				
194j			Each Member State concerned shall submit a corresponding request for amendment of its CAP Strategic Plan with the revised reduction coefficient referred to in the second subparagraph before 1 April of the year preceding the claim year concerned. The revised reduction coefficient shall be set in the implementing act approving the amendment of the CAP Strategic Plan as referred to in Article 107(8).	
Article 10a(4)				
194k			4. With regard to the oilseeds concerned by the Memorandum of Understanding referred to in the first subparagraph of paragraph 1, Member States shall inform the Commission of the total number of hectares for which support has been actually paid in the annual	

	Commission Proposal	EP Mandate	Council Mandate	Draft Agreement
			performance reports referred to in Article 121.

Article 26(1)				
304	1. Member States shall provide for a complementary redistributive income support for sustainability ('redistributive income support') under the conditions set out in this Article and as further specified in their CAP Strategic Plans.	1. Member States shall provide for a complementary redistributive income support for sustainability ('redistributive income support') under the conditions set out in this Article and as further specified in their CAP Strategic Plans.	1. Member States ~~shall~~ may provide for a complementary redistributive income support for sustainability ('redistributive income support') under the conditions set out in this Article and as further specified in their CAP Strategic Plans, including as regards relevant eligibility conditions.	
Article 26(2)				

	Commission Proposal	EP Mandate	Council Mandate	Draft Agreement
305	2. Member States shall ensure redistribution of support from bigger to smaller or medium-sized farms by providing for a redistributive income support in the form of an annual decoupled payment per eligible hectare to farmers who are entitled to a payment under the basic income support referred to in Article 17.	2. Member States shall ensure <u>a fair</u> redistribution of support from bigger to smaller or medium-sized farms by providing for a redistributive income support in the form of an annual decoupled payment per eligible hectare to farmers who are entitled to a payment under the basic income support referred to in Article 17.	2. Member States implementing the redistributive income support shall ensure redistribution of direct payments from larger support from bigger to smaller or medium-sized farmsholdings by providing for a redistributive income support in the form of an annual decoupled payment per eligible hectare to farmers who are entitled to a payment under the basic income support referred to in Article 17.	
Article 26(3)				
306	3. Member States shall establish an amount per hectare or different amounts for different ranges of hectares, as well as the maximum number of hectares per farmer for which the redistributive income support shall be paid.	3. Member States shall establish <u>a payment equivalent to</u> an amount per hectare or different amounts for different ranges of hectares, ~~as well as the maximum number of hectares per farmer for which the redistributive income support shall be paid.~~ <u>They may differentiate those amounts in accordance with the territories defined pursuant</u>	3. Member States implementing the redistributive income support shall establish at national or regional level, which may be the groups of territories referred to in Article 18(2), an amount per hectare or different amounts for different ranges of hectares, as well as the maximum number of hectares per farmer for which the redistributive	

	Commission Proposal	EP Mandate	Council Mandate	Draft Agreement
		<u>to Article 18(2)</u> .	income support shall be paid.	
Article 26(3a)				
306a		<u>3a. The amount of the redistributive payment per hectare shall not be higher than 65 % of the basic income support for sustainability, in accordance with the national or territory average, multiplied by the number of eligible hectares.</u>		
Article 26(3b)				
306b		<u>3b. The number of eligible hectares per farmer shall not be greater than the national average size of holdings, or the average size in accordance with the territories defined pursuant to Article 18(2). Member States shall grant access to that payment starting from the first eligible hectare of the holding.</u>		
Article 26(3c)				
306c				

	Commission Proposal	EP Mandate	Council Mandate	Draft Agreement
		<u>3c. Member States shall identify non-discriminatory criteria, with the objective laid down in point (a) of Article 6(1), for calculating the amount to be granted for complementary redistribution of income for sustainability in the context of the CAP Strategic Plans, and shall also set a financial ceiling above which farms shall not be entitled to the redistributive payment. Member States shall take into consideration the average level of farms' income at national or regional level. In the distribution criteria, they shall also take into consideration the natural and specific constraints faced by some regions, including island regions, in the development of their agricultural activity.</u>		
Article 26(4)				
307	4. The amount per hectare planned for a given claim year shall not exceed the national average amount of direct payments per hectare	<i>deleted</i>		

	Commission Proposal	EP Mandate	Council Mandate	Draft Agreement
	for that claim year.			
<i>Article 26(5)</i>				
308	5. The national average amount of direct payments per hectare is defined as the ratio of the national ceiling for direct payments for a given claim year as laid down in Annex IV and the total planned outputs for the basic income support for that claim year, expressed in number of hectares.	<i>deleted</i>		
<i>Article 26(6), first subparagraph</i>				
308a			6. In the case of a legal person, or a group of natural or legal persons, Member States may apply the maximum number of hectares referred to in paragraph 3 at the level of the members of those legal persons or groups where national law provides for the individual members to assume rights and obligations comparable to those of individual farmers who have the status of a head of holding, in

418y			(iii) preventing damage caused by adverse climatic events and promoting the development and use of varieties, breeds and	

	Commission Proposal	EP Mandate	Council Mandate	Draft Agreement
			management practices adapted to changing climate conditions;	
Article 41b(1), point (a)(iv)				
418z			(iv) increasing energy saving, energy efficiency and the use of renewable energy;	
Article 41b(1), point (a)(v)				
418aa			(v) ecological packaging only in the field of research and experimental production;	
Article 41b(1), point (a)(vi)				
418ab			(vi) biosecurity, animal health and welfare;	
Article 41b(1), point (a)(vii)				
418ac			(vii) reducing emissions and waste, and improving the use and management of by-products and waste, including their re-usage and valorisation;	

	Commission Proposal	EP Mandate	Council Mandate	Draft Agreement
Article 41b(1), point (a)(viii)				
418ad			(viii) improving pest resilience;	
Article 41b(1), point (a)(ix)				
418ae			(ix) reducing risks and impacts of pesticide use or reducing use of veterinary medicines including antibiotics;	
Article 41b(1), point (a)(x)				
418af			(x) creating and maintaining habitats favourable to biodiversity;	
Article 41b(1), point (b)				
418ag			(b) advisory services and technical assistance, in particular concerning sustainable pest and disease control techniques, sustainable use of plant protection and animal health products, and climate change adaptation and mitigation;	
Article 41b(1), point (c)				

	Commission Proposal	EP Mandate	Council Mandate	Draft Agreement
418ah			(c) training including coaching and exchange of best practices;	
Article 41b(1), point (d)				
418ai			(d) organic or integrated production;	
Article 41b(1), point (e)				
418aj			(e) actions to increase the sustainability and efficiency of transport and of storage of products;	
Article 41b(1), point (f)				
418ak			(f) promotion, communication and marketing including actions and activities aimed in particular at raising consumer awareness about the Union quality schemes and the importance of healthy diets, and at diversification of markets;	
Article 41b(1), point (g)				

	Commission Proposal	EP Mandate	Council Mandate	Draft Agreement
418al			(g) implementation of Union and national quality schemes;	
Article 41b(1), point (h)				
418am			(h) implementation of traceability and certification systems, in particular the monitoring of the quality of products sold to final consumers;	
Article 41b(1), point (i)				
418an			(i) actions to mitigate climate change and to adapt to climate change.	
Article 41b(2),				
418ao			2. As regards the objective referred to in point (j) of Article 41a, Member States shall choose in their CAP Strategic Plans one or more of the following types of intervention in the sectors referred to in points (a), (d), (e) and (f) of Article 39:	

	Commission Proposal	EP Mandate	Council Mandate	Draft Agreement
Article 41b(2), point (a)				
418ap			(a) setting up, filling and refilling of mutual funds by producer organisations and by associations of producer organisations recognised under Regulation (EU) No 1308/2013;	
Article 41b(2), point (b)				
418aq			(b) investments in tangible and non-tangible assets making the management of the volumes placed on the market more efficient;	
Article 41b(2), point (c)				
418ar			(c) collective storage of products produced by the producer organisation or by members of the producer organisation, including where necessary collective processing to facilitate such storage;	
Article 41b(2), point (d)				
418as			(d) replanting of orchards	

	Commission Proposal	EP Mandate	Council Mandate	Draft Agreement
			or olive groves where that is necessary following mandatory grubbing up for health or phytosanitary reasons on the instruction of the Member State competent authority or to adapt to climate change;	
Article 41b(2), point (e)				
418at			(e) market withdrawal for free-distribution or other destinations, including where necessary processing to facilitate such withdrawal;	
Article 41b(2), point (f)				
418au			(f) green harvesting consisting of the total harvesting on a given area of unripe non-marketable products which have not been damaged prior to the green harvesting, whether due to climatic reasons, disease or otherwise;	
Article 41b(2), point (g)				
418av			(g) non-harvesting	

	Commission Proposal	EP Mandate	Council Mandate	Draft Agreement
			consisting of the termination of the current production cycle on the area concerned where the product is well developed and is of sound, fair and marketable quality, excluding destruction of products due to a climatic event or disease;	
Article 41b(2), point (h)				
418aw			(h) harvest and production insurance that contributes to safeguarding producers' incomes where there are losses as a consequence of natural disasters, adverse climatic events, diseases or pest infestations and at the same time ensuring that beneficiaries take necessary risk prevention measures;	
Article 41b(2), point (i)				
418ax			(i) coaching to other producer organisations and associations of producer organisations recognised under	

	Commission Proposal	EP Mandate	Council Mandate	Draft Agreement
			Regulation (EU) No 1308/2013 or to individual producers;	
Article 41b(2), point (j)				
418ay			(j) implementation and management of third-country sanitary and phytosanitary requirements in the territory of the Union to facilitate access to third-country markets;	
Article 41b(2), point (k)				
418az			(k) advisory services, technical assistance, training and exchange of best practices in particular regarding sustainable pest control techniques, sustainable use of pesticides or veterinary medicines as well as the use of organised trading platforms and commodity exchanges on the spot and futures market;	
Article 41b(2), point (l)				
418ba				

	Commission Proposal	EP Mandate	Council Mandate	Draft Agreement
			(l) communication actions aiming at raising awareness and informing consumers.	
Article 41c				
418bb			Article 41c Planning, reporting and performance clearance at operational programme level	
Article 41c; first paragraph				
418bc			Notwithstanding point (a) of Article 7(1), Article 88, Article 89, points (f), (g) and (h) of Article 99, point (b) of the second subparagraph of Article 100(2) and Article 121, the planning, reporting and performance clearance for the types of interventions in the sectors referred to in point (a) and in points (d), (e) and (f) of Article 39 that are implemented through operational programmes shall be carried out at the level of those programmes, instead of at the level of	

	Commission Proposal	EP Mandate	Council Mandate	Draft Agreement
			intervention, and the indicative financial allocation, the outputs and the unit amounts shall be set at the level of the operational programmes.

For each type of intervention, the Member States shall define interventions. The Member States shall substantiate their choice of sectors, objectives, types of intervention and interventions.		
<i>Article 60a</i>				
669a			Article 60a Types of interventions in other sectors	
<i>Article 60a(1), introductory part</i>				
669b			1. For each sector selected according to the first paragraph of Article 59, Member States shall choose one or more of the types of interventions referred to in Article 41b to be implemented through approved operational programs drawn up by:	

	Commission Proposal	EP Mandate	Council Mandate	Draft Agreement
Article 60a(1), point (a)				
669c			(a) producer organisations and their associations, recognised under Regulation (EU) No 1308/2013 or under paragraph 7 in the cotton sector, or	
Article 60a(1), point (b)				
669d			(b) cooperatives, as well as other forms of cooperation between producers constituted at the initiative of producers and controlled by them, that have been identified by the competent authority of a Member State as producer groups, for a transitional period of up to four years from the start of an approved operational program ending on 31 December 2027 at the latest.	
Article 60a(2)				
669e			2. Member States shall set	

	Commission Proposal	EP Mandate	Council Mandate	Draft Agreement
			the criteria for being identified as producer groups and shall determine the activities and objectives of the producer groups referred to in point (b) of paragraph 1 with the aim that these producer groups be able to meet the requirements for recognition as producer organisations under Articles 152 to 154 or 161 of Regulation (EU) No 1308/2013.	
Article 60a(3), first subparagraph				
669f			3. Producer groups referred to in point (b) of paragraph 1, shall, in addition to an operational program, draw up and submit a recognition plan with a view to fulfilling, within the transitional period referred to in that point, the requirements laid down in Articles 152 to 154 or 161 of Regulation (EU) No 1308/2013 for recognition as producer organisations.	
Article 60a(3), second subparagraph				

	Commission Proposal	EP Mandate	Council Mandate	Draft Agreement
669g			The recognition plan shall set activities and targets to ensure the progress towards obtaining such recognition.	
Article 60a(3), third subparagraph				
669h			The support granted to a producer group that is not recognised as a producer organisation by the end of the transitional period shall be subject to recovery.	
Article 60a(4)				
669i			4. Member States shall substantiate their choice of types of interventions referred to in paragraph 1.	
Article 60a(5)				
669j			5. Types of interventions referred to in points (c) and (e) to (h) of paragraph 2 of Article 41b shall not apply to cotton, rape and colza seeds, sunflower seeds and soya beans	

	Commission Proposal	EP Mandate	Council Mandate	Draft Agreement
			included in Annex XIII.	
Article 60a(6)				
669k			6. The operational programs referred to in paragraph 1 shall fulfil the conditions laid down in Article 44(2) and (3) to (6) of this Regulation.	
Article 60a(7)				
669l			7. Member States, which choose to implement types of interventions referred to in Article 39(f) in the cotton sector, shall recognise producer organisations in the cotton sector and associations of such producer organisations based on the requirements and using the procedures laid down in paragraph 1 of Article 152 and in Articles 153 to 156 of Regulation (EU) No 1308/2013. Producer groups of cotton and federations of such producer groups recognised by Member States based on the	

	Commission Proposal	EP Mandate	Council Mandate	Draft Agreement
			Protocol No 4 to the 1979 Act of Accession of the Hellenic Republic before the entry into application of this Regulation are, for the purposes of this section, deemed to be considered as producer organisations or associations of producer organisations, respectively.	
Article 60a(8)				
669m			8. Member States shall ensure that the support for the types of interventions referred to in points (e), (f) and (g) of paragraph 2 of Article 41b does not exceed one third of the total expenditure under operational programs as set out in their CAP Strategic Plan.

926	1. Without prejudice to the application of Article 15, Member States shall set a maximum amount of support per unit or a percentage of variation for each intervention of the following types of interventions:	1. Without prejudice to the application of Article 15, Member States shall set a maximum amount of support per unit or a percentage of variation for each intervention of the following types of interventions:	1. ~~Without prejudice to the application of Article 15,~~ Member States shall set out one or more planned unit amounts for each intervention included in their CAP Strategic Plan. The planned unit amount may be uniform or average, as determined by Member States. 'Planned uniform unit ~~shall set a maximum amount'~~ is the value that is expected to be paid of support per unit or a percentage of variation for each intervention of the following types of interventions: related output. 'Planned average unit amount' is the average value of the different unit amounts that are expected to be paid for the related outputs.	
Article 89(1), second subparagraph				
926a			For interventions covered by the integrated system referred to in Article 63(2) of Regulation [HzR], uniform unit amounts shall be set out, except where	

	Commission Proposal	EP Mandate	Council Mandate	Draft Agreement
			uniform unit amounts are not possible or appropriate, as determined by Member States, in view of the design and scope of the intervention. In such case, average unit amounts shall be set out.	
Article 89(1a), first subparagraph				
926b			1a. For types of interventions in the form of direct payments, Member States may set maximum or minimum planned unit amounts or both for each unit amount planned for each intervention

Article 121a(1)				

	Commission Proposal	EP Mandate	Council Mandate	Draft Agreement
1246b			1. The Commission shall carry out a biennial performance review based on the information provided in the annual performance reports.	
Article 121a(2)				
1246c			2. Where the reported value of one or more result indicators that are part of the performance review as set in point (da) of Article 99 reveals a shortfall of more than 45% from the respective milestone for financial year 2025 and 35% for financial year 2027, Member States shall submit justification for this deviation. Following the assessment of the justifications submitted, where necessary, the Commission may ask the Member State concerned to submit an action plan in accordance with Article 39(1) of Regulation (EU) [HzR], describing the intended remedial actions and the expected timeframe.
