Subject: Referral letter of the petitions potentially not compliant with the provisions of Article 227 of the TFEU - List 3

Dear Ms Montserrat,

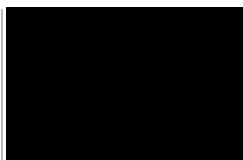

In accordance with the operational instructions on the administration of petitions, you will find enclosed a list of petitions considered to be potentially non-compliant with the provisions of Art. 227 TFEU. These were formally entered in the register, and are also included on the List 1, sent to you separately.

These petitions, notified in real-time in GEDA to the Petitions Committee Secretariat, are filed under three main categories (3.1, 3.2 and 3.3).

It should be emphasized that the categorisation of petitions on the List 3 is only a suggestion from my services. The sole purpose is to alert the Secretariat of the Committee you chair, to petitions which could be treated with a curtailed procedure.

My services and I remain at your disposal should there be any further information that you might require.

Yours sincerely,

Markus Winkler
