Subject: Invitation for Vice-President Jourova to deliver Keynote address: Webinar - #DeleteAntisemitism | Week of October 19th

Dear [REDACTED]

B'nai B'rith International, alongside 6 other major Jewish organisations (AJC Transatlantic Institute, B'nai B'rith Europe, a Jewish Contribution to an Inclusive Europe (CEJI), the European Jewish Congress, the European Union of Jewish Students and the World Jewish Congress) launched a [#DeleteAntisemitism campaign](#). The campaign was launched on 14th September, in response to the EU Commission's Digital Services Act (DSA) consultation.

As a part of this campaign, we plan on hosting a webinar provisionally set for the **week beginning Monday 19th October**.

We would be honoured if Vice-President Jourova addressed the webinar on the occasion, in a keynote address. We are flexible to a date recommendation that best fits the Vice-President's schedule.

Major online platforms have been invited to the ensuing panel discussion: Facebook, Twitter, TikTok and Google will converse with [REDACTED] to UNESCO and [REDACTED] Council of Europe [REDACTED].

The webinar aims to address both general issues about hate and antisemitism online, particularly in the context of growing disinformation and conspiracy myths and a specific focus on expectations around the Digital Services Act.

Given the sharp focus of Vice-President Jourova on issues of disinformation and conspiracies, her spearheading of the IT Code of Conduct and her knowledge and regard for Jewish issues and tackling antisemitism, we would be honoured if she addressed the event on this occasion.

I am at your disposal for any clarifications.

Kind regards,
