**Subject:** JHA Agencies Network Meeting 23-24 September confirmed

Dear contact points of the JHAAN and observers,

I hope you all enjoyed your summer and that you are in good health.

Please note that the meeting on 23-24 September will take place via videoconferencing. The timetable for this meeting will be 10.00-12.00 (lunch break) 13.00 -14.30, on both days.

We are currently preparing the draft agenda taking into consideration time constraints and the challenges when meeting remotely.

A draft will be circulated next week but I can already announce the main topics:

- Revised JHAAN Work Plan 2020, including state of play and upcoming meetings (Chair)
- Tour the table on key developments (all agencies + observers)
- COVID-19 pandemic – state of play of the action list + follow up VC Meeting of 9 July
- Assessment of the JHAAN: discussion on the way forward
- Charter of fundamental rights: annual exchange

It is likely, that I will also suggest to have another VC meeting in October to prepare the annual meeting.

Further, I would also like to inform you on few changes regarding the contact points:

- Frontex: [REDACTED] together with [REDACTED] and [REDACTED]
- EASO: [REDACTED] together with [REDACTED] and [REDACTED]

Welcome to the newcomers and looking forward to meeting you all at the next VC meeting.

More to come in the next days.

Kind regards,

[REDACTED]
