Dear [Redacted] Dear [Redacted]

In November 2019, the Heads of the JHA agencies signed a *Statement on the implementation of the Charter of Fundamental Rights of the European Union* (enclosed). They agreed to exchange, within the network of JHA agencies, practices regarding the implementation of the Charter in the Justice and Home Affairs area on an annual basis.

In the preparation of such a first informal exchange, which took place on 24 September 2020, a questionnaire was circulated to collect information on internal and external activities of the JHA agencies with regard to the Charter on Fundamental Rights.

Enclosed you will find an overview with those activities. It should be noted that the purpose of this list is neither to be exhaustive, nor to provide a comparison. Its ambition is to provide examples that can inspire the agencies. Also enclosed, you find the PPT of Mr [Redacted] (FRA).

On behalf of the JHAAN, I would like to ask you both to further disseminate these documents to your counterparts in the Equality & Diversity group and the DPOs group.

Thank you in advance.

Kind regards,

[Redacted]
