Dear Colleagues,

Following up the e-mail from Monday 16.08 containing the agenda of the upcoming ad hoc meeting of the CP (September 8<sup>th</sup> 2021), attached please find the documents prepared by Frontex.

- Working group guidelines together with the proposed list of permanent working groups,
- Draft template of the Scorecard,
- Draft template of the Migration Toolbox.

In anticipation of the forthcoming discussion on the draft revisions please consider the following issues:

Ad. Scorecard and Toolbox: are any of the included sections(or subsections) superfluous?

Ad Toolbox: is there an overlap with EMPACT? Should the horizontal issues be moved to a separate (fourth) section ? As per the discussion so far the number of agencies indicated was limited, is the current approach acceptable or should some Agencies would like to be added/deleted?

Please feel welcome to send us your written comments on the above mentioned documents at any time prior to the meeting.

Kind regards,

On behalf of Frontex JHAAN Presidency Team
