Dear Colleagues,

Please find enclosed the slightly revised Final Agenda for the 3rd JHAAN meeting (24 September, 09:00-16:50).

Please note the following changes:

- 1) Frontex would like to deliver a short presentation on its Vulnerability Assessment activities and possible areas of cooperation with JHA agencies, such as:
 - Methodological enhancements and development of simulation tools
 - “secondary” sources to further enrich assessments and reduce the risk of overlapping requests to MS/SAC

Please note that due to this new agenda item, the timing of the different points have slightly changed - kindly inform your experts who are supposed to present specific agenda points (FRA, eu-LISA, Europol).

- 2) Kindly note the slightly changed title of the Europol discussion point on the IM.

Today we will share the outlook invitation and final agenda with all participants/observers. As mentioned last week, we will also share with the observers the 2 draft documents on the *JHAAN contribution to the FoE and Joint statement of the Heads*, for their information.

Best regards,
