However, if this is not possible then I can be included in the third panel.

Dear [REDACTED],
[REDACTED] has informed us that you will be representing FRA at our Carbon neutrality seminar in October. Happy to have you on board !

As you probably know, the topics covered by the seminar will be:

- First panel: implementing green policies into **planning and work programmes** of Agencies
- Second panel: the **workplace** aspect - making the workplace more efficient and greener and the last
- Third panel: exchange of views regarding the good practices of improving daily behaviour of staff focusing on **grass root initiatives**.

Since we are currently working on finalising the agenda, I would be very grateful if you could let us know if I can go ahead and include you in the third panel or would you prefer to present in another one?

For internal planning purposes we would be grateful if you could let us know the topic of your intervention by **31st of August eob**.

Kind regards,
