Dear Colleagues,

In view of the upcoming JHAAN meeting, please see attached supporting documents that will guide our discussion on Friday.

- **First analysis of the Questionnaires A, B, C and the participants list** – With many thanks to Eurojust, and in particular to [REDACTED] who prepared the document and will present it under the agenda point on the Assessment of the Network, this first analysis covers the replies provided to the Questionnaires A, B and C, as well as the list of participants. The document also includes questions at the end of each section that will guide the discussion. For your information, all Agencies' replies and compilations are available on SharePoint.
- **Concept note on the assessment of the Network** – to be used as a reference and in relation to the next steps.
- **Draft concept on the environmental crime seminar** – the document is a first draft and will be presented by Frontex on Friday. Your feedback under this agenda point will be much appreciated.

Should you have any questions, please do not hesitate to contact me.

Thank you and looking forward to meeting you all on Friday!

Best regards,
