Meeting date and place

Meeting held on 15/10/2020 15:00

Participating organisation(s) & representative(s)

-- DG Tresor ,

Main issues discussed

█ is since September working at the Perm Rep of France responsible for i.a. financial markets. The purpose of the call is a general introduction and exchange views.

·On CMRP, █ believes the compromise is the right balance. They are afraid of the EP stance in particular regarding the cap in the simplified prospectus. Also concerns about the POG. Want to know if POG will be opened again next year in the broad review. EC states that this is not foreseen.

█ wants to know what other items will be on the EC agenda next year. EC explains the topics such as NFRD, ELTIF, MiFIR review including CTP, and single entry point.
