of the other part,

#### **CONSIDERING**

1. The Framework Contract for the provision of a new platform for the Europol Analysis System (EAS) concluded between the parties on 7 December 2012 (hereinafter referred to as "the Framework Contract") as amended by way of 5 (five) Addenda;
2. On 18 May 2016 the parties entered into the Fifth Specific Contract ("SC-5", ref. LA-CO-830265) for the provision of up to 250 days of time and means support by Product Specialists during two phases which are more fully described in Annex I to SC-5:
  - a. **Phase 1 (100 days)**: Preparation, deployment of EAS for the pilot group and support after the go-live; and
  - b. **Phase 2 (150 days)**: Preparation and deployment of EAS across Europol and support after the go-live
3. The parties now wish to enter into a First Addendum to SC-5 ("Add 1") with a view to adding an additional member of the *Contractor's Personnel* to the team of consultants delivering services under SC-5.

*Article 1*

*Addition of consultant*

1. The parties hereby agree to add the following consultant: [REDACTED] Product Specialist.
2. For the avoidance of doubt, the *Services* as contracted under SC-5 remain unchanged, as does the value of that Specific Contract, which is **EUR 200,000.00** (Two hundred thousand Euro). The rate and profile of the additional consultant is the same as the existing consultants under SC-5.

*Article 2*

*Possible future amendments to SC-5*

1. The parties agree that a proposal will be submitted for tailoring of the COTS products used as part of the Solution (from the approved sub-contractor Palantir Technologies). The following technical aspects shall be considered:  
[REDACTED]

2. The proposal shall include:
  - a. the resource allocation required from Europol;
  - b. the workstations required at the Europol headquarters;
  - c. whether the consultancy is delivered on or offsite;
  - d. the proposed Contractor's Personnel;
  - e. description and time dedication of the activities, distinguishing between services provided for Europol's benefit and activities for the benefit of the (sub) Contractor as regards its own product improvement.

*Article 3*  
*Final provisions*

3. This First Addendum to SC-5 shall enter into force on the day it is signed by both parties.
4. The rest of the provisions of SC-5 not altered by this First Addendum remains unchanged and shall continue to apply.
5. Once signed by the parties, this First Addendum shall be governed by the SC-5 and by the Framework Contract.
