

## BRIEFING MEETING WITH ORANGE

### Context of the meeting/Orange's position

- The meeting was requested by Orange in the letter sent to you on 24 June.
- The main objective of the meeting is to discuss the diverging way the current regulatory framework is implemented in the two major countries where Orange deploys Fiber (France and Spain), with focus to the Spanish market and the last review of the markets for wholesale local access provided at a fixed location (M1/2020) and wholesale central access provided at a fixed location for mass-market products (M3b/2014).
