

## **Request for clarification 2023/1563**

Dear Ms Deleja-Hotko,

We are writing concerning your request for access to Commission documents registered on 09/03/2023 under case number 2023/1563.

The description given in your application, which is very wide in timeframe, does not enable us to identify concrete documents, which would correspond to your request.

We therefore invite you, in accordance with Article 6(2) of Regulation (EC) No 1049/2001 regarding public access to documents, to provide us with more detailed information on the documents you request. In particular, we would kindly ask you to indicate the specific timeframe during which the meetings/workshops/events/gatherings in relation to PFAS restrictions, for which you request the relevant documents, took place.

The 15 working days to reply to your request will start running only when you reply to this message. If you do not reply within 7 working days, we will close this case in line with our detailed rules for the application of Regulation (EC) No 1049/2001.

Kind regards,

Safe and Sustainable Chemicals unit
