Complaint 420/2023/RM

**Subject:** Inspection concerning the European Commission's failure to reply to a request for public access to documents concerning exchanges with German politicians on the possible legalisation of cannabis (GestDem 2022/7441)

Dear Mr ,

Further to our earlier correspondence concerning the above-mentioned case, it appears that the Commission has still not replied to your confirmatory application (GestDem 2022/7441).

We have therefore decided that it is necessary to inspect the document at issue in the case: the report of 17 November 2022 concerning the meeting between the Director-General of DG HOME and the Bavarian minister for health and care.

We will get back to you as soon as we are in a position to update you on the progress of the case.

Yours sincerely,

Rosita Hickey  
Director of Inquiries
