Subject: Your application for access to documents - Ares(2023)7656538

Dear Mr [REDACTED]

We refer to your request for access to documents submitted to the European Research Executive Agency (REA) and registered on 10 November 2023 under the reference number Ares(2023)7656538.

On the same date we requested you to clarify the scope of your request¹.

On 15 November 2023 you clarified the scope of your request and on the same day REA informed you that as mentioned to you the deadline of 15 working days for handling your application was paused. It started running when we received the requested clarification.

In the same message REA also clarified to you that as falling within the scope of your request we could only consider the rejected projects handled under the competences of the REA².

A. SCOPE OF YOUR REQUEST

Following the clarifications of the scope of your application, you requested:

¹ Ares(2023)7657336.

² Ares(2023)7784507.

“the list of the rejected projects under the funding schemes ‘Research and Innovation Action’ (RIA) and ‘Innovation Action’ (IA) based on ethical and human rights-based grounds after performing all steps of their respective ‘Ethics Appraisal Scheme’”, in the framework programmes Horizon 2020 and Horizon Europe.

This request is handled within the scope of Regulation (EC) No 1049/2001 (hereinafter “Regulation 1049/2001”) regarding public access to European Parliament, Council and Commission documents³.

B. DISCLOSURE OF THE REQUESTED DOCUMENTS

After having consulted the services in charge of the Ethic Appraisal Procedure in REA, who have checked in the corresponding data bases, we are pleased to inform you that it was possible to identify the list you request concerning the proposals handled by REA. Therefore, we would like to inform you that one IA (Innovation Action) proposal was identified as related to your request. The proposal relates to the Framework Programme Horizon 2020.

Proposal number	Name
883359	Enhanced Maritime Situational Awareness through Collection and Integration of Multiple data sources.

No rejected proposal(s) was found related to the Framework Programme Horizon Europe falling within the scope of your request until 28 November 2023.

Yours sincerely,
