Dear all,

Also on behalf of my colleagues I would like to thank you very much for this productive and open minded meeting last Friday at DG Environment. We all hope the presentation from [REDACTED] and all other Gore shared information was of interest for you. At the same token we appreciated your questions and comments related to the different topics and hope to maintain our relationship.

As a next step [REDACTED] will send you the promised files, i.e. supplement of her article and the incineration study as well as other respective content. Furthermore [REDACTED] will attend the 'Expert Workshop \*15th January 2020\* - PFAS and fluorine free alternatives in textiles, upholstery, carpets, leather and apparel' and will be most likely joined by another Gore associate. She will touch base with you directly in this regard.

Again a big thank you to you [REDACTED], especially also about your flexibility to make this short-notice set up meeting happen. I am looking forward to seeing all of you in the near future again in the Brussels environment.

All the best, [REDACTED]

Best regards

Hi [REDACTED],

Many thanks for your confirmation of our meeting on Fr 22 November in the Morning.

Please let us know which time you prefer and we will be at your office on time.

Of course we are also fine in having Wood at the meeting by phone.

Dear [REDACTED]

It is OK to meet on Friday 22 in the morning.

We had a discussion today with the contractor for our study on PFAS in textiles and leather (Wood). They mentioned to us that Gore contacted them for a meeting in occasion of the visit in Brussels of an expert on the topic. I guess it is the same person we would be meeting. I then proposed to Wood to join our meeting on 22<sup>nd</sup> via conference call, if this is OK for you. In case Wood needs to have a more in depth discussion with Gore experts, I guess this could be arranged separately.

Please let me know if this arrangement works for you.

Regards

Hi [REDACTED],

No I am late... sorry, for my delayed reply but I was on a tradeshow in Düsseldorf till yesterday evening.

These are great news! We are really happy that you will have time for us for a conversation. We will be available on Thur or Fri but if you can

arrange Fri would be for us probably better. Nevertheless we are looking forward to get your update on the meeting date.

Best regards [REDACTED]

Dear [REDACTED]

Sorry for the delay in replying. I'm consulting with some colleagues that could also be interesting to join the meeting. Looking at my calendar the mornings of 21 or 22 November are free, but I'm waiting for a feedback from my colleagues.

**Subject:** Our conversation yesterday at FC event / promised article about Fluoropolymers from my Gore colleague [REDACTED]

Dear [REDACTED],

Sorry for my delayed note.

First of all I would like to thank you for your clear presentation at Tuesday's Fluoro Council event as well as our fruitful conversation afterwards.

As promised I have attached the article from my US Gore colleague [REDACTED] 'A Critical Review of the Application of Polymer of Low Concern and Regulatory Criteria to Fluoropolymers', which is a peer-reviewed paper published in Integrated Environmental Assessment and Management (IEAM) in spring this year.

In this context I would also like to ask you for your interest in a face-to-face meeting with [REDACTED], since she will be in Brussels during the week starting on Mo 18 November.

Thanks again for our good talk and I am looking forward to hearing from you.
